Kaziranga University sits in the heart of Jorhat city which is the second largest city in Assam, India. Jorhat is often referred to as

**“The Knowledge City of Assam”**

## Jorhat

Jorhat is the second largest city in Assam. Often referred to as the Knowledge City of Assam, Jorhat is home to some of the oldest and top institutes of northeastern India. These include the world's first and largest tea research institute - the Tocklai Tea Research Institute.

The rich cultural heritage of Assam finds a home in the city of Jorhat. The city was the last capital of the Ahom Kingdom and boasts of being home to numerous historical monuments of the time. The largest river island in the world, Majuli, which is also the principal site of pilgrimage of Vaishnavites, is situated in the Northern part of this district. The Kaziranga National Park, home to the great one-horned rhinoceros, is at a distance of 112 km from the city.

## Kaziranga University Location: Jorhat, Assam, India

15 kms from Jorhat Town Railway Station with trains departing nearly every hour to major Indian cities

Located on National Highway 37, the communication heartline of the state

15 kms from Jorhat Airport which is well connected to major cities like Bangalore, Delhi, Kolkata & Mumbai

## Assam

The land of “blue hills and Red River” Assam is the gateway to the Northeastern region of India. Assam is a home to:

- Ahom Dynasty, spanning over 600 years
- 7 National Parks
- 18 Wildlife sanctuaries
- 25% of India flora and fauna
- More than 600 tea gardens

A cuisine with its own idiosyncratic aromas and flavours, a vibrant artistic heritage marked by exotic dance forms, the gamosa ( a red-and-white scarf worn around the neck by men), the mekhela sador (the traditional dress for women), and the poetic view of a cowherd boy playing the pepa (traditional hornpipe made out of buffalo horn) by the setting sun all lend to Assam's breath – taking beauty.

## Campus Life at KU

### Community

Our students & staff come from diverse backgrounds and engage in different extra curricular activities apart from curricular requirements. We ensure they work on building an overall personality that includes, curricular, technological, technical, life skills, fitness, sports and many other skills to foster a diversified identity at par with 21<sup>st</sup> century challenges.

### Accommodation

Separate hostel accommodation are arranged for girls and boys with 24X7 CCTV surveillance for security; uninterrupted electricity and water with dining halls offering vegetarian and non-vegetarian food. The environment is secure under watchful security guards with Wi-Fi enabled premises for internet access.

### Library

At KU we encourage quality time for research. Our physical library & virtual E-library includes well stocked national and international journals, magazines, periodicals, newspaper etc. for reference. The E-library facility connects students to international virtual libraries like Elsevier, ASTM, EBSCO and GATE, which offers wide range of subject related information for students.

**Cafeterias**

Students unwind leisurely in the 2 on-campus Cafeterias between the class sessions to build relationship over a cup of tea or coffee. The Cafeterias' menu includes food catered to the needs and preferences of people coming from different backgrounds. It provides access to multi-cuisine hygienic vegetarian and non-vegetarian food to students, parents, faculties, visitors and others.

**Sports & Gym**

The university provides ample time for sports and leisure to balance physical as well as mental exercises. Students play indoor games like carom, table tennis, chess etc., watch television, work out in gymnasium etc. Many other outdoor games like lawn tennis, basketball, volleyball, badminton, football, cricket etc. are played in dedicated fields in the campus.

**Language Lab**

Students improve their communication skills in English by engaging in language lab sessions. This is the first ever initiative in Northeast India towards improving the English communication skills with the help of technology. It supplements the theory classes with practical classes based on case study for improving the art of listening, reading, speaking and writing in English language with the help of cutting edge audio-visual equipment .

**AC Classrooms**

Students engage with competent, industry experienced and renowned scholars and faculty members in interactive air-conditioned classroom sessions with audio-visual equipment for case studies, real-life scenarios; problem situations, role plays, tutorials, presentations and similar group works. The curriculum reinforces practical learning through project-based activities.

**Extra Curricular**

Students prepare for leadership roles corresponding to the global technological, economic and societal challenges of the 21<sup>st</sup> Century. Students participate in extracurricular trainings conducted in partnership with industry experts, institute of repute by KU's Centre of Excellence to gain knowledge and real world skills alongside traditional syllabus.

**Guest House**

Assam is known for its hospitality and we at KU provide in-campus guest house with all modern amenities for a comfortable stay of our guests who include eminent academicians, corporate guests, internal guests and other members.

**Sonam Dendup**

Being one of the students from first Bhutanese batch to join KU, I was not sure if my decision was right to join the university. Now I am in 6<sup>th</sup> semester and I can proudly say I did the right thing by coming here to continue my education. Quality of education provided here is great and the environment is too good. I thank Kaziranga University for making my experience here an excellent one.

I joined KU fickle-minded about my career. The MBA course at KU helped me develop holistically, giving industry knowledge and insights to the business world. With the mentoring, I got placed at Emirates Healthcare Group, Dubai, I am confident that this milestone is just the beginning. Thanks, KU for this opportunity.

The three years I spent at KU have been the most memorable of my life. Coming from The Gambia, it never felt like a different country—thanks to the constant support of my teachers and the warmth of my hostel mates. Beyond academics, experiencing the rich culture and cuisine made my journey even more special. I am deeply thankful to everyone.
